

Elder Care Attorneys and Estate Planning Attorneys

Updated August 14, 2026

Any of these attorneys will be able to help you with creating a living will and health care proxy, establishing a power of attorney, creating a will, and developing documents for settling your affairs. They also will be able to help you with probate and estate administration.

Estate Planning may involve protecting your assets by establishing a trust or other documents that will help you avoid probate.

Elder Care Law may help if you are hoping to protect your assets guardianship, conservatorship, Medicaid planning.
